# KINGDOM PURPOSE MEDIA LAUNCHES IMPACT MONTH

*A new monthly initiative designed to create deeper conversations, stronger focus, and lasting impact.*

**K**ingdom Purpose Media is excited to introduce KP Media Impact Month, a new monthly initiative created to bring greater focus, visibility, and purpose to the messages being shared across our network.

Beginning in October 2026, each Impact Month will open with Impact Week, a featured week built around one central theme and multiple Kingdom voices. That opening week is designed to spark meaningful teaching and real conversations, while the rest of the month continues to reinforce the message through ongoing programming, highlights, and practical application.

October's inaugural Impact Week, Break the Cycle, will feature 8 Kingdom voices addressing patterns, struggles, and mindsets that must be broken in order for people to move forward. This is a timely and necessary conversation for this season, and we believe it will equip and encourage viewers to take real steps toward freedom, growth, and a stronger future.

Impact Month is more than a calendar feature. It is a strategic way to create momentum around the messages that matter most. Our goal is not just to deliver a message, but to build momentum for transformation — in individuals, families, churches, and communities.

Through teaching, conversation, and practical application, Impact Month will help keep important topics in focus, spark continued discussion, and provide resources that support lasting change.

We believe that when Kingdom voices come together with a common purpose, real people are reached, real conversations happen, and real change is possible. Impact Month is another step forward in fulfilling our mission to equip, engage, and empower people through faith-filled media.

Join us this October as we Break the Cycle and launch a new season of focused impact. This is just the beginning — and we can't wait to see what God will do.

**Same mission. Bigger impact.**

*People. Purpose. Progress. A Greater Tomorrow.*
