PURPOSE IN EVERY *Season*

Every season of life carries an assignment, and every assignment is an opportunity to advance God's Kingdom. As we move through summer and prepare for the days ahead, we are reminded that God's purpose never changes—only our opportunities to walk in it.

In this issue of *Kingdom Voices Weekly*, we focus on Kingdom common sense—faith that works **Monday through Saturday**. Because living for God is not confined to Sundays or spiritual moments. It is a daily commitment to think, speak, and act in alignment with His Word.

We are honored to feature Prophetess Lashonda Hartdige and Bishop KJ Brown, whose messages continue to inspire believers to live with bold faith and unwavering conviction. We also explore the importance of digital discipleship and highlight exciting ministry news, including new resources and opportunities that equip Kingdom voices to go even further.

My prayer is that every page strengthens your faith, sharpens your focus, and reminds you that God has placed you here for such a time as this.

Thank you for being part of this growing Kingdom family. Together, we are **amplifying** voices, **inspiring** lives, and **advancing** God's purpose.

Keep walking in purpose. The best is yet ahead.

KINGDOM SPOTLIGHT

Beyond Limits: Leading with Kingdom Common Sense

Practical biblical wisdom that equips believers to navigate everyday life with clarity, courage, and Kingdom purpose.

Apostle Charles L. Matthews is the Pastor of No Limits Church International in Portsmouth, Virginia, and serves as the Overseer of Kingdom Churches International. With decades of ministry experience, Apostle Matthews has built a reputation for teaching that is both biblically sound and practically applicable.

As the host of *Kingdom Common Sense*, he brings a voice of clarity to a world filled with confusion. His teachings cut through the noise, helping believers understand how God's Word applies to the challenges they face every day.

What makes his message so impactful is his ability to combine scriptural truth with real-life examples. Whether addressing finances, relationships, leadership, or faith in the workplace, Apostle Matthews encourages viewers to think from a Kingdom perspective and live with purpose-driven conviction.

Under his leadership, No Limits Church International continues to grow as a vibrant community of faith where lives are transformed, leaders are developed, and Kingdom impact extends far beyond the walls of the church.

“*Kingdom wisdom isn't reserved for the pulpit—it belongs in everyday life.*”

KINGDOM PERSPECTIVE

Digital Discipleship:

MAKING FOLLOWERS OF CHRIST
IN A CONNECTED WORLD

*"The mission has never changed.
The methods continue to evolve."*

Jesus commanded His followers to "go and make disciples of all nations." Today, that mission extends far beyond the walls of a church building. Every livestream, podcast, social media post, digital magazine, and online conversation has the potential to carry the Gospel to someone searching for hope.

Digital discipleship is not about replacing personal relationships with technology. It is about using today's tools to strengthen those relationships, encourage spiritual growth, and create opportunities for people to encounter Christ wherever they are.

Throughout history, God's people have embraced new ways to communicate timeless truth—from handwritten letters to the printing press, radio, television, and the internet. Digital platforms are simply the next chapter in that story.

BEYOND THE BROADCAST

Discipleship begins when people encounter biblical truth, but it grows through consistent encouragement, accountability, and community. Every broadcast on Kingdom Purpose Media is designed to become more than a program—it is an invitation to continue learning, growing, and living with Kingdom purpose throughout the week.

That's why Kingdom Voices Weekly exists.

This magazine extends the conversation beyond the broadcast, providing readers with practical insight, ministry highlights, featured teachings, and stories of what God is doing across our Kingdom family.

“
Digital
discipleship
isn't about
reaching more
screens.
It's about
reaching more
hearts.
”

"Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you."

MATTHEW 28:19-20

FIVE PRINCIPLES OF DIGITAL DISCIPLESHIP

1. TEACH CONSISTENTLY

Biblical truth should be available wherever people are seeking answers. Be faithful to share, teach, and declare God's Word in season and out of season.

2. BUILD COMMUNITY

Technology should connect believers—not isolate them. Encourage meaningful conversations, create spaces for dialogue, and cultivate authentic relationships online and offline.

3. EQUIP DAILY

Discipleship is a lifestyle, not a weekly event. Provide resources that help believers grow in their faith and apply God's Word every day.

4. SERVE WITH EXCELLENCE

Every article, video, livestream, and conversation should reflect the excellence of Christ. Excellence honors God and builds trust with our audience.

5. POINT PEOPLE TO JESUS

Technology is the tool. Christ remains the message. Everything we create should lead people closer to a relationship with Him.

KINGDOM REFLECTION

Ask yourself:

- How am I using technology to strengthen someone else's faith?
- Is my online presence pointing people toward Christ?
- What gift has God given me that could be used to encourage others digitally?

PRACTICAL APPLICATIONS

- ✓ Share a scripture or encouraging word daily.
- ✓ Engage with others through comments, prayer, and meaningful conversations.
- ✓ Invite someone to watch or listen to a Kingdom Purpose Media broadcast.
- ✓ Use your platform—big or small—to be a light for Christ.
- ✓ Pray before you post and before you click.

THE MISSION IS UNCHANGED.
THE METHODS HAVE EXPANDED.
THE HARVEST IS STILL PLENTIFUL.
